What a lovely way to spend a Saturday Night entertained by a cast of celebrity singers brought to life by impressionist Mark Verselli. This was a sold out performance that brought members of our community together for an evening of laughter and music. Mark's personal interaction with the audience was one of the highlights of the evening. Those of you who verbally participated had your neighbors rolling in the aisles. You know who you are! Thank you All!

Monthly Meeting with a musical performance by our own
James Burns & Jim Ball

Last April we enjoyed the musical talents of our neighbor Jim Burns. From 4th grade chorus to recording 10 of his own songs in 1993 Jim has spent a lifetime enjoying his music. Currently a member of the "Brothers in Song" chorus in The Villages, Jim returns to DLVN with an encore performance. Joining him on the Stand-Up bass guitar and vocals will be his friend, Dr. James Ball, who received his Doctor of Musical Arts degree from the Conservatory of Music, University of Missouri, Kansas City in 1992. Dr Ball has since conducted, performed, and taught widely in the United States, Latin America and Europe. Come on out to our home rec center to enjoy this concert by our fellow Villagers.
