Member Appreciation Dinner

Our annual “free” dinner event was a Grand Ole Opry success with 116 members in attendance. OakWood Smokehouse & Grill’s award winning ribs were an appetizing entre, BUT, just look at those cakes. Not only were they beautiful but tasted heavenly . A little bit of country centerpieces designed by Mike and Robin Marion were awarded to a lucky winner at each table. Country Classic entertainment was provided by the local song and dance group “The Off Broadway Dancers of the Villages.” Thank you everyone that attended and The DLVN Social Committee for organizing another successful outing. Our current paid assemblage is 133 members.

Well Done All.

Wednesday April 26 - 6:30 pm Tierra del Sol Rec Center DLVN Monthly Meeting with a musical performance by our own James Burns & Jim Ball

Last April we enjoyed the musical talents of our neighbor Jim Burns. From 4th grade chorus to recording 10 of his own songs in 1993 Jim has spent a lifetime enjoying his music. Currently a member of the "Brothers in Song" chorus in The Villages, Jim returns to DLVN with an encore performance. Joining him on the Stand-Up bass guitar and vocals will be his friend, Dr. James Ball, who received his Doctor of Musical Arts degree from the Conservatory of Music, University of Missouri, Kansas City in 1992. Dr Ball has since conducted, performed, and taught widely in the United States, Latin America and Europe. A "free will" beneficence will be collected to support The Christian Food Pantry, Come on out to our home rec center to enjoy this concert by our fellow Villagers and contribute to a great cause.
