**DLVN MONTHLY NEWS - May 2023**

### *Neighbors Helping Neighbors*

The DLVN Board in conjunction with coactive members have established a work group for the purpose of getting AEDs (automated external defibrillators) installed across the DLVN neighborhood. Funding of this project will require contributions by households to be successful. An initial meeting was held on 3/16 and the group met with Bob Sjogren from Villages Public Safety on 4/11. A web page has been created for spreading information about the AED program, progress of the work group and other related information. The link below will take you to the AED page of our website.

### **The James Gang 2023**

### **James Burns and James Ball**

Last April we enjoyed the musical talents of our neighbor James Burns. Joining him this year on the Stand-Up bass guitar and vocals was his friend, Dr. James Ball. Thus, the name "The James Gang." These virtuosos performed original songs along with honoring the likes of John Denver, John Prine and Hank Williams. Thank you gentlemen for sharing your musical gifts. The boys are back in town!. A "free will" collection was taken to support The Christian Food Pantry and the neighborhood AED program. Thank you members for your generosity and support.
