You've been hearing about AEDs in our DLVN Association's meetings for the past few months. Our AED working group has been gathering information and will plan on presenting information in 2 ways next month.

First, we will give a brief introduction to the program in October's DLVN monthly meeting. Secondly, this program is not limited to members of the DLVN Association. This is meant to be a community wide program for the benefit of all residents and visitors within DLVN. We will be seeking support from every household within DLVN.

In the first week of October we will be sending an email with more information about this program and how you can provide your contribution. Your AED team is being led by Lisa Paullin with the gracious assistance of Elaine Burns. In addition to Lisa and Elaine, the other group volunteers are Jim Burns, Bob Stawarz, Ron Achtenburg, Jim Robertson and Mark Williams.

The link below will take you to the AED page of our website.
