The Roots of “Rock n’ Roll” starring Brian Gillie

A sold out crowd gave multi talented Brian Gillie a standing ovation at Wednesday evening’s DLVN Special Event. Gillie took us on a vigorous stroll down a musical memory lane. We all participated when he explained the origins of rock n roll “ Call and Response” songs aided by cue cards. He danced, sang, and was the DJ who played almost all of our favorite 50’s and 60’s songs on a radio show platform. The audience left this event with wide smiles, sweet memories and possibly stuck song syndrome .
Rock on Brian Gillie.
